# PUBLIC HEALTH RESPONSE TO POSITIVE COVID-19 CASE IN SCHOOLS

## PUBLIC HEALTH SEQUENCE OF EVENTS

**1**

The Health Department (HD) is notified of lab positive COVID-19 result of student or staff.

**2**

HD notifies school of positive case and request line list of contacts.

**3**

The school sends an exposure letter to all students/staff identified as a close contact with positive case.

**4**

HD calls each student/staff who was exposed within 48 hours of receiving the line list and issue quarantine orders.

**5**

HD works with positive case on isolation period and when they can return to school in person.

**6**

HD works with close contacts on quarantine period and when they can return to school in person.

**7**

HD notifies school of date students/staff are able to return to school in person.

**\*Close contact is within 6ft for 15 minutes**
